

The lies

11 0 1

Chapter 1 by Imperial unicornsss

Lies are part of us. It's natural. That's what's sad really. And I've been lying my whole life. I live round here. I go to school. My parents are at home. All lies.

Everyone around me lies as well. It's not just me. No one is honest around here.

But there is one lie that I've told. One lie that affected everyone else. But I had to lie about me.

So what happens when I'm betrayed. What do I do then, when you can't trust the truth.

There is none.
